Small-Group Volunteer FAIR

Thank you to all our small group and volunteer coordinators that helped with this past month Fair - So many new faces have signed-up to be part of a group or found a new volunteer opportunity. Be on the look out over the next few weeks for communication from the coordinators and when the next meetings will happen. If you missed the fair and would like information regarding all the small groups and volunteer opportunities at Bridge give us an email at michele@bridgetochrist.com

The education committee is excited about 2 new areas. Starting March 3, we will have nursery workers back in the nursery and we are opening up a NEW PARENT room, for those families that wish to stay with their little one but need a place to go to watch the service. That room is C4.

We are also adding a Kids Corner to the back of the fellowship hall, where our young friends can hang out while their parents visit. There will be floor activities, cars, blocks, a doll house...plus there will be coloring pages, drawing paper and pipe cleaners. It's our hope to give a safe space to play, while be close enough to our parents.
